17th Annual Have a Heart For Kids Breakfast

Table Captains needed for our largest fundraising event of the year, raising crucial funds for our 20+ programs which help at-risk and homeless youth in Thurston County.

Do you have 7-8 friends, colleagues, neighbors, etc., that you would like to bring to the breakfast? We would love to have you introduce them to us and would be honored to have you as the table captain.

Should you wish to fill a table by being a table captain please contact Senior Development Associate Megan Lobdell at 360-918-7844 for more information. If you would like to RSVP to the event, email Megan at mlobdell@communityyouthservices.org to reserve your spot today.

We rely on this fund-raiser to support and sustain our programs that help youth. The event has become a model for success in that in just a little over an hour we share with a packed room the human stories behind the work that we do. Those in attendance learn a lot about the lives of at-risk youth, what works to change those lives for the better and why those changes are good for ALL the community. A high point is when speeches are made by a few of the youth we serve, who share their amazing stories of transformation, frequently very, very nervously because they are not used to having large audiences clap and cheer about what they have done. It's an amazing event, an uplifting example of what Community Youth Services has been working for since 1970.

We would be honored to add your company to our sponsorship list. Sponsorships begin at $500 and go up from there. Please contact Development Director Lynsi Polanco at 360-918-7822 for more information on sponsorships.
