Thank You!!

In a year that we have seen significant changes at CYS, we are thankful for you, our supporters, for being there along the way and when we needed you most.

During this time of thanks, I wanted to be able to take a minute and say “Thank You!”

As the new CEO, it’s important to me that you know how important you are to me, the CYS staff, our Board of Directors, and most importantly, to the young people we serve. Without your support things would look much different. You are providing hope to so many young people through your support of CYS.

In a time when we see more and more people living on the streets, in tents and looking for affordable housing, we are working extra hard to do what we can to help. Recently our shelter, Rosie’s Place, went 24/7. We can now serve young people in more efficient ways than we were able to previously. We love being able to provide a safe, warm and dry space for these young adults to sleep. This again, is possible due to the support of those such as yourself. Together, we are making a difference in their lives.

Thank you again!!!! And may you enjoy the holiday season.

Derek Harris
